Have You Ever Investigated Wanamaker Clothing?

There are good, sound reasons for the tremendous growth of the Wanamaker Clothing Business, right here in the center of the greatest group of clothing stores in America.

Clothing has to be RIGHT, when it can win its way in the face of such competition, and with the well-dressed men of New York City for its critics.

The merits which have convinced thousands of other men are the virtues which YOU desire in your clothing-the betterment that means longer life to the GOOD LOOKS of the garments, as well as to the clothing itself.

Not only is every fabric absolutely ALL-WOOL, but there is an unusual amount of HAND-TAILORING about Wanamaker Clothing, done at the vital points, to give shapeliness and keep it there, and to give better finish to the suit or overcoat.

There IS a difference. Thousands of men know it, and know WHY. The Clothing is BETTER. The prices are the LOWEST. This is the age of INVESTIGATION. Why not profit by it

All the Leeway You Want In Choosing a DERBY

If you come into the Wanamaker Hat Store to buy a new Derby you are not handed a single style at a single price, and told-in a "take-it-or-leave-it" tone-that "that's the proper thing this season." No, indeed.

Your wishes are fully met as to price:

There are Derbies at \$2, \$3, \$3.50, \$4, \$5 and \$6. The question of make is left to your preference:

We have our own splendid line, contributed by five makers of repute, and embracing every good style that's out. We carry the famous Stetson Derbies in all grades, up to the \$6 hat that knows no equal. And there is a complete showing of Lincoln & Bennett Derbies—favorites among the particular Londoners.

Expert help in picking out the becoming hat:

A newspaper said the other day that men took more pains in selecting the right style of a hat than they used to. We've helped a lot to educate them up to this, by having them served by men who know exactly what height of crown and width of brim best suited a man, and influenced him in buying it. And that's the way we help you to

Men's New Foulard Scarfs Just Here from London

We have had one of the best makers of Foulard Silks, in London, whence come the fine neckwear silks, bring out for us the "Birch Bark" design, which we originated ourselves, copied from Nature's pattern. It is novel, effective, but refined, and makes a beautiful knot, for a four-in-hand scarf.

The pattern is produced in a wonderful variety of colors and combinations. The Scarfs are the newest idea of the moment and are priced at \$1 each.

Then there are Handkerchiefs to match, made of the same silks, at \$1 each.

And besides, here is the broadest assortment of Men's Scarfs, in other styles, to be found anywhere. 50c. to \$2. Main floor, New Building.

L. DOUGLAS \$3.50 SHOES FOR MEN

DO YOU WEAR W. L. DOUGLAS SHOES? IF NOT, BELIEVE I CAN GIVE YOU GOOD AND SUFFICIENT REASONS WHY IT WILL PAY YOU TO WEAR THEM.

I give the wearer the benefit of my thorough and practical knowledge of shoemaking, which has extended over fifty years.

I give the wearer the benefit of my exclusive method of tanning the bottom soles, which makes them more flexible and gives longer wear than any other sole leather produced in this country.

As I am the largest manufacturer of men's fine Hand-Sewed Process shoes in the world, it is necessary for me to purchase leather and other materials in enormous quantities; the benefit of the very low prices I obtain I give to the wearer in superior quality over other makes.

I give the wearer the benefit of the most complete organization of superintendents, foremen and skilled shoemakers, who receive the highest wages paid in the shoe industry, and whose workmanship cannot be excelled. The selection of the leathers and other materials for each part of the shoe, and every detail of the making is looked w after and watched over by these expert men, regardless of time or expense.

If I could take you into my large factories at Brockton, Mass., and show you how carefully W. L. Douglas shoes are made, you would then understand why they hold their shape, fit better, wear longer and are of greater value than any other make.

W. L. Douglas, Brockton, Mass.:

I have worn custom made shoes for about 23 years, paying very high prices. Recently I purchased a pair of W. L. Douglas \$3.50 shoes, and have worn them ever since with more satisfaction in every way. Hereafter Douglas shoes for mine. MAX GREBNER. 349 Broome Street, New York City.

THESE ARE A FEW OF THE REASONS WHY I MAKE & SELL MORE MEN'S FINE HAND-SEWED PROCESS \$3.50 SHOES THAN ANY OTHER MANUFACTURER.
